

Planet Bowl Youth Leagues start in September

There is a lot more to being a USBC Youth member than a Saturday morning league.

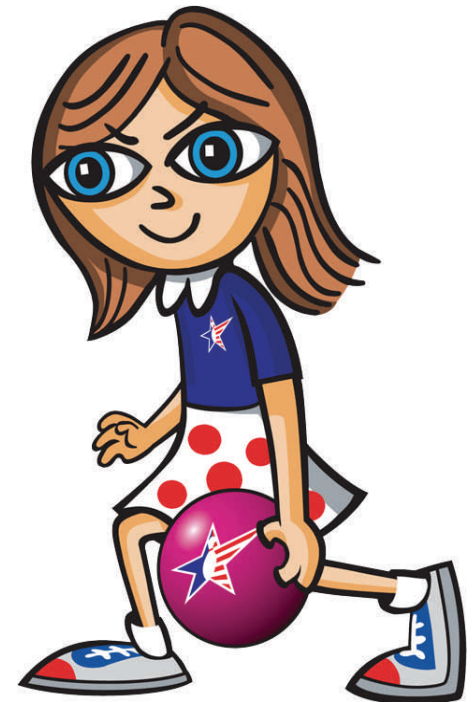

As a USBC Youth member, a huge array of opportunities is available to you, from local and state tournaments to the national stage of Junior Gold Championships and USBC Youth Open.

As a member of Junior Team USA, you can even represent your country while bowling with some of the biggest stars of the Lumber Liquidators PBA tour.

And you don't have to be a top-notch bowler. No matter what your age or skill level, there's a USBC tournament for all USBC Youth members.

There are lots of benefits to bowling in a USBC Youth national tournament, including:

- Big scholarship prizes to jump start your college education!
- Meeting new people from around the country
- The chance to see new places, because the tournaments are held in different cities each year
