

Concealed Carry Weapon Classes

Yes, you heard right! Seymour Johnson AFB Outdoor Recreation will be offering Concealed Carry Weapon classes here on base. The class will be conducted at the CATM range and the cost is \$55.00 per person. Minimum age of 21 required. Eye and ear protection, targets and course materials will be provided.

You can sign up at Outdoor Recreation during normal operating hours.

You will need to bring your handgun, 40 rounds of ammunition, note taking materials, and an identification card with picture. This is an 8-hour course plus range time. We will normally be offering this course on Saturdays, beginning at 8 a.m. Additional information is available during registration for this course.

The areas we will be covering are: The Laws That Govern the Use of Deadly Force, The Laws of Retreat, The Castle Doctrine, and Basic Handgun Instruction. There will be a written test at the end of the course, and you will have to demonstrate that you are proficient with your handgun. You will have to qualify on the range during live fire exercises.

This course is not designed to teach a person how to shoot; inexperienced people with firearms should consider taking a basic or private training session prior to taking the CCH Class. The firearms qualification is a test, and we consider it to be a very important concern to the safety of yourself and the safety of others.

Please realize this is only a pre-requisite course required by the state to apply for a concealed carry permit. You must submit an application with your home county Sheriff's office along with a \$90.00 non-refundable fee to apply for a North Carolina Permit to Carry Concealed but must have a certificate from this course to apply. For more information, contact Ron Medus or Ian Williams at (919) 722-1104.

Looking for a new firearm?

Outdoor Recreation now has our Federal Firearms License, and we are able to order your firearms here on base.
